Norheimer Dellchen
Riesling trocken Grosses Gewächs 2020

Cornelius Dönnhoff harnesses the potential of this beautiful site and its volcanic soil every year to produce a textbook Nahe Riesling. It boasts crystal clear, cool, fresh ripe lemon fruit, with the creaminess of lemon tart on the palate along with herbal hints of woodruff and mint, which is all brought together in a dense structure. A beautiful wine which will age gracefully.

Oberhäuser Brücke
Riesling trocken Grosses Gewächs 2020

Again, a wine which will only be sold at auction – to the trade as well as private customers. The Brücke is a monopoly site belonging to Dönnhoff, only one hectare in size, facing the Nahe river. The wine is true Dönnhoff style: elegant, with finesse and delicacy but denser and more concentrated than the other crus. It follows neither fashion nor trends – a classic monument, created for eternity.
